Dear Friends and Neighbors,

The Great Lakes State is home to hundreds of incredible festivals, fairs and events right in our own backyards. All these great activities offer the perfect opportunity to experience a slice of Pure Michigan.

This summer, I hope you and your family and friends will focus on Michigan when it comes to planning fun-filled outings. Our state’s festivals, fairs and events will keep you entertained all summer long; and choosing local activities will help stimulate our state’s economy and continue to grow our tourism industry.

It can be difficult to keep track of Michigan’s endless assortment of events and outings, so I’ve compiled a local and statewide “Family Fun and Festival Guide.” This is only a glimpse of the many valuable events our state has to offer; more great events can be found at Michigan.org. I hope this information helps you and your family plan your next summer outing!

Travel safely and enjoy your summer in our beautiful state.

Sincerely,

KATHY CRAWFORD
