Dear Friend,

Hunters in Branch and Hillsdale Counties help maintain the wildlife we enjoy. The state’s abundant natural resources make it one of the main destinations for hunters. Outdoor sporting in Michigan attracts roughly 750,000 hunters annually, which brings in an estimated $1.3 billion more per year for Michigan’s economy.

We are always looking for ways to help the next generation of youth engage in hunting and fishing activities in Michigan.

This fall, use this mailer to help spark an interest in the next generation by sharing the hunting schedule with them. We hope it’s a helpful resource for your family.

Happy hunting,
