GOALS I’VE BEEN WORKING ON FOR YOU!

LOWERING CAR INSURANCE RATES: I voted to fix the broken system that forces us to pay the highest rates in the nation, and I’ll keep fighting to lower your bill. (HB 5013)

FIXING ROADS: For decades, not a single state general budget dollar was invested in the transportation system, but we’re starting to see improvements this year in Branch and Hillsdale counties. I voted to invest $4 billion over time into smart road improvements. (State Budget FY 2018-19)

GUARDING YOUR MONEY: You reached out, and I listened. Living on a fixed income is a challenge. That’s why I helped pass a tax credit for people 62 and older. (HB 5422)

IMPROVING MENTAL HEALTH: I’m working to improve access and strengthen care so our loved ones facing mental health challenges get the help they need.

(House C.A.R.E.S. Task Force recommendations)
Dear Neighbor,

You are invited to gather and hear about the latest tips to stay secure online. We’re bringing experts from our state Attorney General’s office to explain how. There will be a Q&A session to answer any of your questions.

Always feel free to reach out if we can help in any other way.

Sincerely,

ERIC LEUTHEUSER
